Volunteer for National Historic Marker Day

How to Organize a Fun and Rewarding Experience in Your Community

Volunteer Registration

Individuals, families, groups and organizations that plan to participate in National Historic Marker Day are encouraged to register as volunteers via the William G. Pomeroy Foundation website. We'll use the information you provide in the online registration form to acknowledge you on our website and send you official National Historic Marker Day swag.

Plan Your Experience

Now that you've registered, your next step is organizing your National Historic Marker Day experience. Use the following six questions to help make your volunteer efforts a success.

- Are you organizing a team of volunteers? Coordinate responsibilities.
- Which marker(s) do you intend to clean? Seek permission when necessary.
- Do you have the proper cleaning supplies? Reference our cleaning guides for help.
- Are young people involved in your service project? Include an educational activity.
- How are you documenting your service? Take photos and videos of your experience.
- Do you want more community engagement? Publicize your volunteer story.

Participation Benefits

Your volunteer efforts not only help care for markers but also beautify your community and bring greater attention to history. As the creator and host of National Historic Marker Day, the Pomeroy Foundation wants to express our deep appreciation to each and every participant.

Volunteers who officially register their participation with the Pomeroy Foundation will receive:

Kudos! >> Your name or your team's name featured on the National Historic Marker Day volunteer acknowledgments web page.

Stickers! >> You and your team members will receive official National Historic Marker Day stickers!

Shout outs! >> If you registered to volunteer and receive official National Historic Marker Day stickers, please email photos of your marker cleaning project to us at info@wgpfoundation.org. You will be entered into our National Historic Marker Day giveaway and select photos will be featured on our social media!

NATIONAL HISTORIC MARKER DAY LAST FRIDAY OF APRIL
