Program Update Hometown Heritage has two grant rounds per year. Scroll down to the Application Deadlines section on this page to review important dates for each round.

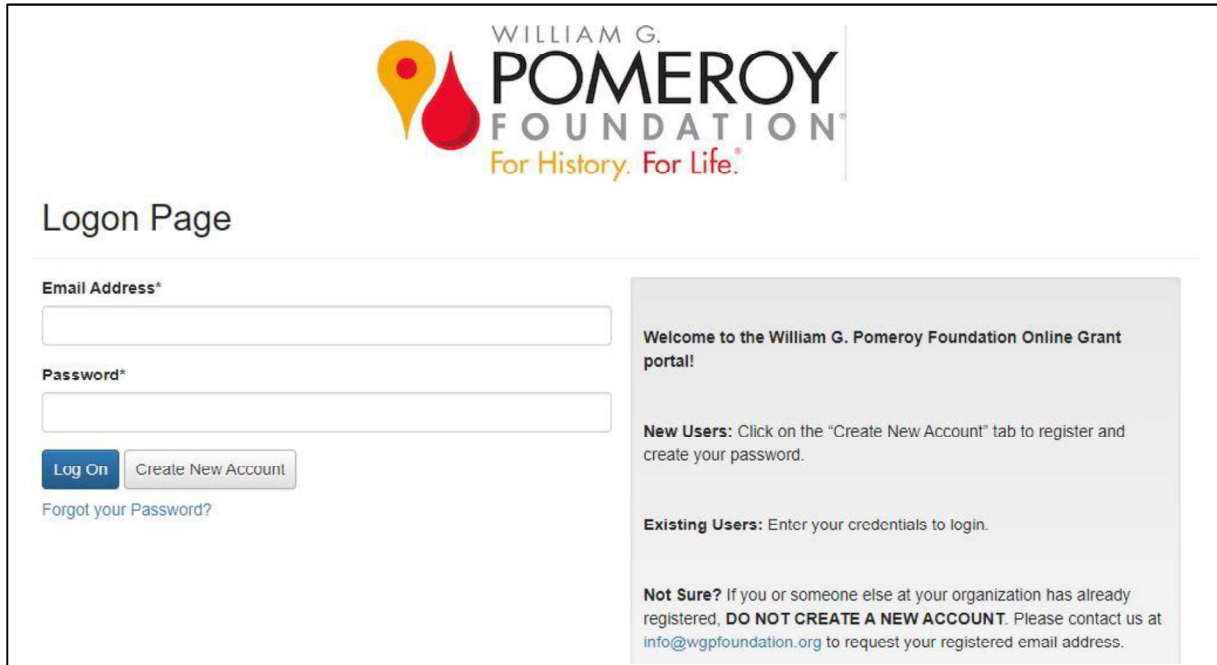

The Hometown Heritage[®] grant program commemorates people, places, things or events that are historically significant to the larger community and beyond with historical roadside markers. This nationwide program seeks to capture local history, especially for those in states without marker programs or for subjects which may not qualify for the applicant's state marker program. Hometown Heritage helps communities to commemorate and preserve important historic milestones. The emblem at the top of each marker will display an outline of the state where the marker is placed.

Please note, Hometown Heritage markers are not available in New York State.
